

# DEPARTMENT OF CHEMISTRY AND BIOCHEMISTRY

## HONORS FORM

### Deadline: By Friday, Week 10 of your graduating quarter

Students may receive departmental honors if they complete the following in addition to their major requirements:

- Obtain an overall GPA of 3.2 or higher.
- Obtain a Major GPA of 3.4 or higher.
- 2 quarters of CHEM 199 (8.0 units of independent study research), not being used to fulfill any major requirements.
- Presentation of findings at a conference. Recommended the annual [\*Undergraduate Research Symposium in Chemistry and Biochemistry\*](#).
- Gather all required signatures on this honors signature page. Please upload this form to your honors application.

NAME: \_\_\_\_\_

PID: \_\_\_\_\_

We, the undersigned faculty members, attest that  
the student (name above) presented their research to us  
during a conference/symposium.
